MERLIN MARAUDER CLUB NEWS

Membership: Paid-up Membership now stands at 49. We would like to welcome our newest member- New Hope Kid.

Repeating: Monthly Meeting Place Change: The June 10th meeting, at the Black Forest Family Restaurant on "E" Street near Staples and the Grants Pass Shopping Center, just off the Parkway was met with positive comments from those in attendance. Most liked the wider selection of menu items and slightly lower prices from those of the "Previous Establishment". At 8/12/14 General Membership Meeting a vote was taken to continue meeting at the Black Forest.

The Marauders' **MONTHLY Match for August** injected a fresh, new approach to our monthly matches. Our match director created a new category for us. This new category, called "Urban Cowboy" calls for the entire match to be shot with only ONE firearm! Which one? I'm glad you asked.... "Old Slabslides"! Huh? YES! "The G.I. .45"! the venerable Colt Model of 1911 (or a "clone" thereof.) ALL targets were to be engaged with the 1911. The results were incredible! 7 out of the 20 cowboys and cowgirls who shot our August match opted for the new category. Unfortunately, we seem to need to do a little "fine-tuning" to bring us up to speed with this TWENTYETH CENTURY firearm. There were 185 targets missed in this category, but the attending laughter was probably worth the effort.. I think I'll stick to the "Guns that won the West", instead of the "Guns that won World War I". On the other hand, you DO only have to clean ONE gun at the end of the day..... swj

Nominations for Election of 4 Club Officers will be taken starting with the September Club Meeting.

NEWSLITTER. I'm still hoping for a volunteer to do the September Newsletter. My right eye (the worst one) was re-built on the 14th, of July and the surgery on the left one just yesterday, 11 August. They are still healing for another month. If someone would be willing to jump in here and take over the Newsletter for the month of September I would deeply appreciate it. Thanks in advance for volunteering. Just drop me an e-mail at sweetwater@uci.net and if I can see it I'll respond. (Got no responses for the August issue, so will work around it somehow. Thanks anyway) SWJ

Designates a Clean Match

Dispatches From The Territorial Governor

This month's match was one I was very sorry to have missed. The idea of using a Colt 1911 type semi-auto to shoot all targets was a cool idea, and had I owned the required pair of 10-shot mags, AND had my binocular vision back, I would have done so. I understand that the seven shooters in the "Urban Cowboy" Ca. this month had a GREAT time, if a couple of misses. (And only had to clean ONE gun.)

I apologize for the smaller than usual newsletter this month. Had my left eye surgery today, Monday, 11th Aug., will get rest of the info tomorrow night at the meeting. I can't see the keyboard OR monitor very well, as my right eye does not focus at all at close range and the left is now looking thru a plastic "patch" with bubbles in it.... very frustrating, Can't get reading glasses for another month yet. I hope SOMEONE will volunteer to write next month's news. Can't get on the TG wire to check it as I can't read it.

Sweetwater Jack
