## The Prez Sez!

Howdy, Everybody!

I just want to thank everyone for all their help on the annual shoot! Molly does a great job thanking folks on the next page, but with typical humility she neglected to mention herself!

As the creator of the timelines and spreadsheets, the coordinator of all the tasks and the timelines, and the computer typist extraordinaire of the match times and results she put in her always heroic efforts – and no less worthy of praise and admiration once again.

Congratulations Britt Ponsett on receiving the MM Regulator badge award and to Butch Brass and Royal Flush for receiving MM Ranger badge awards.

Until next month!

*Hugs!*

*— Your President, Bobbin' Along Daisy*

## **MOLLY'S NEWS UPDATES!**

First off, I would like to welcome **3 new Merlin Marauder Members - Captain 8 Dollar, Virgil Vander Veen and Never Miss Morgan**. That brings our membership standing to 50. Welcome aboard!

**Annual Match Kudos:** Another great match hits the history books. Britt Ponsett outdid himself with the Program and the Trivia Contest, co-designers Director Long Henry Thompson, Deputy M.D. Mountain Grizz, and their crew (New Hope, Boone, Kidd, Royal, Cimarron, Chuck, Maverick, Butch, Rogue & Lady Rascal, Barbarosa, and more) were outstanding as well - setting up, running, and/or then dismantling the main and side stages. I would like to extend a big THANK YOU to every one of you who helped put on the Battle of Rogue River - even our two Double R Bar visitors (Twitchy Finger and Jackpot Jude) who it seems never took a break. Thank you, Ima Loden for keeping us in the black. We could not have done this without all of you and already we are looking forward to the next BoRR - our lucky thirteenth. Be prepared for something very special.

Additionally, Bobbin' Along Daisy made numerous hats for the Ladies Tea as well as decorating and setting up the hall and helping with the scoring and awards ceremony. Kudos to Cinona, Queenie, and helpers for the Tea, registration support, and caterer coordination. Also, we had lots of donations from vendors and members who added to the shooters' prize table. Thank you for your generosity.

We also join our Prez (in her remarks on the previous page) and extend a hardy congratulations to our newest Regulator: Britt Ponsett and our two new Rangers: Butch Brass and Royal Flush. These cowboys deserve a big hand for always being there when we needed them. They can wear their badges proudly.

Another round of big thank you's goes to all of our major match sponsors, including:

- Sweetwater Jack and Gaye Abandon (donated 2 firearms - an AR 15 won by River Dog (who just about literally jumped out of his britches at the announcement), an EMF Alchimista Revolver won by Rawhide Rhodes, our badges, and, of course, all those cans of beans)
- Cabelas who generously donates shooter prizes every year
- Bear Bone Smith for his Damascus Knife won by Marshal Tombstone
- Riverdog for his guided trip for 2 (which was won by New Hope Kid - who then had it auctioned off to Royal Flush)
- Butch Brass who donated a custom Wild Bunch Rig (won by Bobbin' Along Daisy)
- a custom cowboy painting by Molly b'Dam (won by Bobbin' Along Daisy)
- a custom quilt made by our own Stitch and Bitch Ladies which was won by Lottie Dinero

We also extend a big thank you to New Hope Kid and his wife for donating the customized embossed shooter bags (for each shooter), and to 32-Bit Bill and Idaho Annie Rose who crafted and donated those beautiful glass first place, overall, and top gun trophies.

Congratulations to our **top Cowboy Royal Flush** and **Top Cowgirl Sandy Charm** - great shooting by both. **Top Gun Shoot Off Male was Royal Flush and Female was Dalton's Darling**. Everyone loved the stages and a good time was had by our staunch shooters and guests. Thank you to all the participants and guests for coming. Until next year... get ready for another outstanding annual match with lots of surprises.

## Dispatches From Our Territorial Governor: Bear Bone Smith

Howdy Pard,

Here are a couple of SASS rule clarifications that were recently discussed on the T.G. wire:

1. Most cowboy shooters know that once a shooter has committed to a stage (after first round is fired down range), he or she may not leave the firing line to retrieve ammo that was not loaded into a firearm brought to the line. That being said, there is a simple solution should you fail to load one or more of your firearms in this instance. You may load the empty firearm(s) from your person to complete the stage if you have carried extra rounds on your person to the firing line.
2. A shooter completes shooting a stage and heads to the unloading table. After clearing and showing all firearms are safe, shooter drops unloaded pistol on ground while attempting to holster the firearm. The appropriate ruling is a "NO CALL". A dropped, unloaded firearm away from the firing line is always a no call. The shooter in this instance is not considered to be on the firing line since the shooter had completed the stage and all firearms had been cleared and deemed safe.

Hope these little SASS tid-bits helped some of my cowboy pards. Until next month, happy trails, amigos.

**Bear Bone Smith, SASS Reg. 10719, Merlin Marauder T.G.**
